## Words of Praise

For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has the badge of honesty on every bottle wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, discharges, catarrhal, pelvic drain, dragging down distress in lower abdomen or pelvis, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, or other derangement of the feminine organs, you can not do better than take Dr. Pierce's Favorite Prescription.

The physical surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home. "Favorite Prescription" is composed of the very best native medicinal roots known to medical science for the cure of woman's peculiar ailments, contains no alcohol and no harmful or habit-forming drugs.

Do not expect too much from "Favorite Prescription"; it will not perform miracles; it will not dissolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weaknesses and ailments peculiarly incident to women as any medicine can. It must be given for a reasonable length of time.

You can afford to accept a secret nostrum as a substitute for this remedy of known composition.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

### KILLED AT A DANCE.

As a result of a dispute over the pay of the fiddler at a dance given Saturday night at the house of Cleveland Board, in Roanoke, Luther Nimmo, 20 years old, is dead and Cleveland Board, a young man, with a wife and child, and Shelton Harrison are in jail, the former charged with murder and the latter as an accessory.

There were three or four persons playing for the dance, and for the two who had played last a purse had been made up. Noah J. Basham, who had played part of the time thought he ought to be paid, and about eleven o'clock Board proposed that the amount collected for Nimmo and the other musician should be divided among the three.

Nimmo objected to part with his share of the money, and Shelton Harrison went to Board's assistance in adjusting the matter. Nimmo struck Harrison with his left hand and Board with his right, when the latter, it is declared, plunged a knife into Nimmo's body. Nimmo left the house, declaring he had been cut, and after lying down was followed by young Harrison and beaten over the head with a club, according to testimony offered at the inquest.

Board and Noah Basham were arrested. The evidence before the coroner's jury implicated Harrison, who was a witness, and he was locked up.

### "MARRYING PARSONS."

Rev. A. H. Burroughs who has given Bristol, Va., considerable notoriety by marrying eloping couples, received a jolly Saturday, when the Norfolk and Western Railway issued an order that all "marrying parsons" shall stand in the place set apart for the hotel porters and do their soliciting at the union station, or otherwise keep away from the depot.

O. L. Baumgardner, local agent of the Norfolk and Western, issued the order and made public the fact that he had received a petition from the citizens asking the railroad to do something to check the "disgraceful" trade.

Recently Parson Burroughs has had a most formidable rival, Rev. H. W. Leslie, who has improved on the Burroughs methods of meeting all trains by manning to meet every incoming train some distance from the city and get the couples eloped before they get to Bristol. The parson is so old that he cannot well travel and solicit couples, so his rival is getting ahead of him to some extent.

It seems that the people of Bristol have become disgusted at the "marrying parson" business, and they have about decided that the rest of the world is disgusted with it and are seeking to have it stopped.

### Fifty years' experience of an Old Nurse

Mrs. Winslow's Soothing Syrup is the prescription of one of the best female physicians and nurses in the United States, and has been used for fifty years with ever-increasing success by millions of mothers for their children. It relieves the child from pain, cures diarrhea, griping in the bowels, and wind colic. By giving health to the child it wins the mother. Twenty-five cents a bottle.

### GIRL TRIED DEATH.

With the entire complement of marines drawn up for inspection Friday night on the quarterdeck of the cruiser California so that she might pick from among the men the one who had kept her away from her home, Miss Emma Schwad, nineteen years old, ran from the side of her mother, who had accompanied her, and leaped over the side of the cruiser into the bay at San Francisco rather than face the ordeal. The next moment a sailor in full uniform jumped after her.

The ship's life-saving crew lowered the boat and picked up the girl and her rescuer, just as the sailor's strength was failing.

Miss Schwad was rushed to the Harbor Emergency Hospital, where, by heroic treatment, her life was saved. The sailor who saved her from death went back to his ship and the records of the affair Friday night do not contain his name.

The girl's mother had made complaint to officers on the cruiser and had compelled the girl to accompany her to pick out the marine whom she alleged was responsible for her daughter remaining away from home.

### GENERAL ROMERO KILLED.

A dispatch from Bluefields says the recent silence of General Mens was broken yesterday with a report of another victory for the arms of the provisionals. This time the engagement was fought at Morrito, a small town about midway on the east shore of Lake Nicaragua.

Mens completely surprised the government forces, who numbered 180 strong, under General Pedro Romero. The fight lasted only 15 minutes, General Romero and one soldier were killed and several of Mens's men were wounded. Sixty prisoners were taken. Letters found in the government camp showed that General Romero, who apparently was on his way to join General Vazquez, had been warned to look out for Mens.

Nasal Catarrh, an inflammation of the delicate membrane lining the air-passages, is not cured by any mixture taken into the stomach. Don't waste time on them. Take Ely's Cream Balm through the nostrils, so that the fevered, swollen tissues are reached at once. Never mind how long you have suffered nor how often you have been disappointed, we know Ely's Cream Balm is the remedy you should use. All druggists, 50c. Mailed by Ely Bros., 55 Warren Street, New York.

### DAMAGE BY FLOODS.

Unless a sudden drop in the temperature halts the melting of the snow, and the rainfall, which has been steady since Saturday evening, ceases, northern Ohio will soon be in the grip of disastrous floods. Already thousands of dollars' damage has been done in Fremont, Sandusky, Akron, Huron, Bucyrus, and other cities, and the rivers continue to rise. Hundreds of families have fled their homes in Fremont and Bucyrus. In Fremont merchants have boarded up their business places, removing their stocks to higher ground, while manufacturers have moved valuable machinery.

The Sandusky river is at the fifteen-foot stage in Fremont, five feet above the danger line. The water is threefeet deep in State street, Fremont, and traction service on the Lake Shore electric is halted in Sandusky the rising of Millis creek has halted Lake Shore electric service. The Huron river is rising, and the town of Huron is threatened. The wagon and interurban bridge in Huron is in momentary danger of being carried away.

Sandusky cellars are flooded, and families are fleeing their homes. In Akron the lowlands are flooded by the rising of the Little Cuyahoga and the Cuyahoga rivers.

The Regal Shoe for men in all the new lasts can be had of John A. Marshall & Bros., 422 King street.

## OVERLAND CARS.

The greatest AUTOMOBILE demand in the history of the business is predicted for the season of 1910. Only by putting in an order for your car now and specifying the date of delivery will we be able to take care of your order promptly. The shortage of freight cars, the scarcity of materials, the rush of spring orders, and the natural congestion of the automobile business in the spring all work together to prevent prompt deliveries. Therefore, order now and get your car when you want it.
